Tel: (011) 974-1711

Email: sales@elliottsmall.co.za

Fax: (011) 974-1829

## Product Range

### A

Adjustable reamers  
Adjustable snap gauges  
Angle plates  
Arbors

### B

Back spot facers  
Ball knobs  
Balls  
Ball nose slot drills  
Bevel protractors  
Blade micrometer  
Bore gauges  
Boring & facing heads  
Broaches

### C

Calipers  
Carbide end mills  
Center drills  
Center finders  
Center punches  
Circumference tapes  
Clamps  
Clamping elements  
Clinometers  
Clock gauges  
Cold forming taps  
Collar nuts  
Combination sets  
Compound sine tables  
Concave cutters  
Convex cutters  
Copy centres  
Corner rounding cutters  
Counterbores  
Countersinks  
Cut type knurls

### D

Demagnetizers  
Depth gauges  
Depth micrometers  
Dial caliper gauges  
Dial indicators  
Dial verniers  
Die nuts  
Die sinking cutters  
Dies  
Disc micrometer  
Dividers

### D continued:

Dovetail cutters  
Drill chucks  
keyed & keyless  
Drills  
Drill bushes  
Drill sets  
Drill vices

### E

Edge finders  
Electro-chemical marking  
equipment  
Electronic dial gauges  
Electronic micrometers  
Electronic verniers  
End mills  
Extra long  
end mills & taps

### F

Finger clocks  
Fixture nuts

### G

Gauge blocks:-  
Steel, Ceramic &  
Tungsten carbide  
Gear cutters  
Gear tooth verniers  
Granite products  
Grinding vices  
Grippers  
Groove testers

### H

Handles  
Hand wheels  
Hand reamers  
Hardness testers  
Height gauges  
Hydraulic vices

### I

Indexing plungers  
Indicating micrometers  
Indicating plug gauges  
Indicating thread gauges  
Inside micrometers  
Inverted dovetail cutters  
Involute gear cutters

### J

Jig & fixture elements

### K

Knobs  
Knurling tools  
Knurling wheels

### L

Lathe centers  
Levels  
Levers

### M

Machine reamers  
Machine taps  
Machine vices  
Magnetic bases  
Magnetic chucks  
Mandrels  
Marking equipment  
Measuring equipment  
Micrometers  
Milling chucks  
Milling cutters:-  
HSS.Co  
Solid carbide  
MTS drills  
Multi-spindle drill  
heads

### N

Outside micrometers

### P

Paint markers  
Parallels  
Piercing punches  
Pin gauges  
Pin punches  
Pin vices  
Pi tapes  
Point micrometers  
Precision balls  
Pressure type knurls  
Profile projectors  
Protractors  
Punches  
Punch formers

### Q

### R

Radius gauges  
Reamers  
Reverse spotfacers  
Revolving centers  
Ring gauges  
Ripping cutters  
for aluminium &  
steel  
Rol taps  
Roundness measuring  
Rubber hardness tester  
Rules

### S

Screw cutting gauges  
Scribers  
Self-aligning pads  
Setting rings  
Side chip saws  
Sine bars  
Sine tables  
Sine vices  
Slip gauges  
Slitting saws  
Slot drills  
Snap gauges  
Solid carbide end mills  
Spiral flute taps  
Spiral point taps  
Spirit levels  
Spherical washers  
Spot facing cutters  
Spring plungers  
Squares  
Standard parts for jigs &  
fixtures  
Straight shank drills  
Straight edges  
Studs  
Surface finish  
comparison standards  
Surface gauges  
Surface plates  
Surface testers

### T

Tapered die sinking  
cutters  
Taps  
Telescopic gauges  
Thickness gauges  
Thread gauges:-  
standard  
indicating  
with depth  
indication  
Thread measuring  
wires  
Thread micrometers  
Thread pitch gauges  
Three point  
micrometers  
Three flute end mills  
Throw away end mills  
TiCN coated milling  
cutters  
TIN coated taps  
T bolts  
T nuts  
Toggle clamps  
Tool & cutter grinders  
Tooling aids  
Torque screws  
T-slot cutters  
Tube micrometers  
Twist drills

### U

### V

V blocks  
Verniers  
Vices: Hydraulic  
Machine  
Grinding / Sine

### W

Washers  
Workholding clamps  
Wiggler sets  
Woodruff cutters

### Y

### Z

AUTHORISED INSIZE DISTRIBUTOR
